

Freeski Team

Winter Season 2009-2010

Winter Park's NEW Extreme Freeski Team! Competitive cliff huckers... read on

The Freeski Team is a group of high level, extreme, big mountain skiers. Athletes will focus on skiing in the trees, steeps, cliff jumping, and powder. It is geared toward skiers aged 13 to 18. Emphasis is placed on skill development on Winter Park's most difficult terrain in a fun, high energy environment. Athletes must have previously been on the ATP Team (All Terrain Program) or have a coach's recommendation to participate on the Freeski Team. Participants will have the ability to compete in 5 extreme freeski events throughout the season.

Skiers will be exposed to big mountain skiing, while adjusting techniques for steep terrain and variable snow conditions. They will gain avalanche awareness, and practice with avalanche beacons, probes, and shovels. We do not certify avalanche training for participants, but information for certification will be provided. Ski fast, go big, and see if you can keep up with WP's new Freeski Team!

Program Fee: \$1175 before Oct 1. - \$1225 after Oct. 1. Includes coaching and Rocky Mountain Super Pass (ages 13-17) or a Winter Park/Mary Jane season pass (age 18).

Eligibility: Skiers ages 13-18.

Successful Participant: Must have previously been in ATP or have coach's recommendation. Solid black diamond skier who is comfortable skiing any terrain on the mountain. Love of skiing, motivated, disciplined and a good listener.

Dates: Saturdays – December 5, 2009 – April 3, 2009
Includes Freeski Holiday Camp Dec 26-28, 2009

Times: 8:30 a.m. to 3:30 p.m. with an hour for lunch

Equipment: Alpine skis/poles, boots and helmet supplied by the participant. Helmets are required for all training.
