

All-Terrain Program

Winter Season 2009-2010

Bring on a new way to shred your favorite mountain!

The All-Terrain Program (A.T.P.) challenges black diamond skiers in the trees, steeps, and powder. It is geared toward skiers aged 11 to 18. Emphasis is placed on skill development on Winter Park's most difficult terrain in a fun, high energy environment. This is an excellent program for Park Shark, Team Discovery, and Freestyle Devo team skiers who are looking to continue skiing at a high level but aren't pursuing racing or freestyle competition. It is also a great

next step for older Eskimo, Marlin, and Piranhas skiers.

Skiers will be exposed to big mountain skiing, adjusting techniques for steep terrain and variable snow conditions. Groups with similar abilities will work closely with an expert Competition Center coach building on existing skills like carving, moguls, and jumping to maximize performance on expert terrain. A.T.P. skiers will rip up the whole mountain and gain confidence and skill on Winter Park's toughest terrain.

Program Fee: \$975 before Oct 1. - \$1025 after Oct. 1. Includes coaching and Rocky Mountain Super Pass (ages 11-17) or a Winter Park/Mary Jane season pass (age 18).

Eligibility: Skiers ages 11-18.

Successful Participant: Solid black diamond skier who is comfortable on most terrain on the mountain. Love of skiing, motivated, disciplined and a good listener.

Dates: Saturdays – December 5, 2009 – April 3, 2009 (excluding Feb. 13) or
Sundays – December 6, 2009 – April 4, 2010 (excluding Feb. 14)
Includes ATP Holiday Camp Dec 26-28, 2009

Times: 8:30 a.m. to 3:30 p.m. with an hour for lunch

Equipment: Alpine skis/poles and boots supplied by the participant. Helmets are required for all training.
