WINTER PARK RESORT

Your responsibility

The Colorado legislature established a new set of rules that outline the legal duty of a skier or snowboarder in the sport of skiing. These rules, known as "Winter Park Resort Rentals," outline certain dangers and risks that are inherent in the sport of skiing. The Colorado legislature established as a matter of law that skiers and snowboarders shall show courtesy to others and be aware that there are elements specialized ski equipment, such as that used by disabled or other.
