2008 BEST PLACES

Each year the readers, writers and editors compile their choices for the best destinations, romantic islands, beaches, heritage sites, tours, and spiritual places. While this list is by no means exhaustive, it does offer a reflective selection of our favorite places from 2008. Take a look, tell us what you think and, by all means, give us some of your favorites so that we may check it out for next year. Visit us at editors@pathfinderstravel.com with your reader comments.
